

Safeguarding

At Future Horizons we learn how to keep safe.

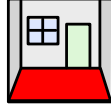

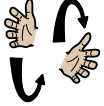

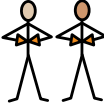

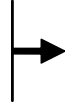

We learn how to be safe in lots of ways

e.g.

For example:

Wet floor signs keep us safe from slipping

We learn about stranger danger.

We learn about internet safety.

We learn about bullying.

If you are worried you can:

Write things into a worry box

Use PECs or word mats

Go to the emotions wall

The staff will keep you safe, you can talk to

them

The person in charge of safety is Jonny

He has a team to help him

The people in the team are Julia, Tracey, Louise

and James

This is the safeguarding Team
